

# Burke Women's Fund

**Women helping women and families in Burke County through support for innovative programs like these:**

*Mental health counseling for women at Compassionate Hearts Clinic; Telehealth medicine for all students and staff in county schools; Workforce development training through Burke Literary Council; Burke United Christian Ministries Better Start Bags for new mothers; Stem education for Burke school girls through Catawba Science Center; Financial, medical, therapeutic support for women facing gynecological cancers through Casting for Hope.*

**Funding for grants comes from the yearly dues of members of *Burke Women's Fund*.**

**Members know their resources are changing lives in their community!**

*Burke Women's Fund is grateful for all the local organizations we support whose work is helping women and families in Burke County.*
